

University of California, Cooperative Extension Santa Cruz County presents

Annual Strawberry Production Reseach Meeting

Tuesday, February 7, 2023 | 7:50 AM-12:10 PM (PT)

Virtual via Zoom

Join UC Farm Advisor Mark Bolda and other university and field experts in this virtual meeting to learn about the latest research and advances in strawberry production.

Who Should Attend: Anyone directly involved with the production of strawberries.

We will discuss issues pertaining to production of strawberry and provide updates on current research addressing those issues.
