Dear Wine Business Students,

Due to unforeseen staffing changes, one course need to be altered from the original tentative course offerings. We apologize for any stress or inconvenience this may cause. In order to support your graduation plans, we have come up with the following solution:

- **WVIT 460 – Senior Project** (4 units)
  - Will be offered ***WINTER*** *only* (not in spring)

For your information, WVIT 447 will be offered in Winter, as it was initially planned

- **WVIT 447 – Logistics for Global Wine Industry** (4 units)
  - Will be offered ***in WINTER***

In case of problem, you should contact Dr Benoît LECAT, blecat@calpoly.edu and he will work with you to find an adequate solution. You can also contact Rachel Johnson, WVIT Academic Coach for additional assistance (cafesadvising@calpoly.edu, 805-756-7475).
