Subject: Response to Academic Senate Resolution AS-574-01/MH
Resolution on RTP Criteria and Retention of New Faculty

The subject resolution is approved. By copy of this memorandum to college deans and department heads/chairs, I am requesting that current personnel policies and procedures pertaining to retention, tenure and promotion be reviewed and updated, where appropriate. The criteria should be clearly articulated and consistently applied.

Departments play a critical role in clearly communicating all criteria, including any special requirements applicable within a department or college, to new tenure-track faculty members. Departments are encouraged to develop mentoring programs to guide the future efforts of new faculty members early in their careers at Cal Poly. Similarly, department heads/chairs are expected to assist new tenure-track faculty members in formulating a professional development plan. The plan should generally outline how a faculty member intends to provide substantive contributions to his/her discipline and how those activities can be useful in keeping his/her teaching current and dynamic. Specific goals and milestones should be proposed throughout the probationary period with an emphasis on what the faculty member intends to accomplish in teaching, research, professional development and service by the time he/she is considered for tenure.

Please extend my appreciation to members of the Academic Senate for their support and recognition of the importance of clear standards in evaluation of faculty.
