RESOLUTION ON IN-RESIDENCE REQUIREMENT FOR LAST 40 UNITS

WHEREAS, Cal Poly currently requires undergraduate students to take on campus at least 30 of their last 40 units required for the degree; and

WHEREAS, This requirement was established at a time before 4-unit courses were the norm at Cal Poly; and

WHEREAS, Although the origins of this requirement, which appears in catalogs dating back to the 1950s, are unknown, it can be inferred that Cal Poly faculty, like those of some other peer institutions, have defined the integrity of a degree as requiring that an appropriate number of senior-level courses be completed at the degree-granting institution; and

WHEREAS, The 10-unit cap appears to have been intended to allow three courses out of residence; and

WHEREAS, Raising the cap for off-campus transfer credit from 10 to 12 of the last 40 units would correspond to three 4-unit courses and reduce the need for special petitions; therefore be it

RESOLVED: That Cal Poly lower from 30 to 28 the number of units from a student’s last 40 required for the degree that must be taken in residence; and be it further

RESOLVED: That the Cal Poly Catalog reflect and the Registrar’s Office enforce this change effective immediately.
