III. Reports:
A. Academic Senate Chair: (Menon) a) As part of the effective implementation follow-up for AS-574-01/MH (Academic Senate Resolution on explicit RTP criteria, clear statement of expectations and effective mentoring for probationary faculty), I am pleased to report to you that Anny Morrobel-Sosa and I conducted a Dean’s Council workshop on October 23rd that was well received by the Provost and College Deans. We appreciate the excellent research and presentations completed by Anny on best RPT practices nationwide, which has resulted in an excellent set of readings for these RPT workshops. In addition to the Dean’s Council presentation, we are conducting similar workshops with Department Chairs at each College Council, at the invitation of the respective Dean. At each of these workshops I have re-affirmed the Senate position that “there is no higher priority that the nurturing of our young faculty on whom we depend for the continuing academic excellence of Cal Poly programs”. b) I am pleased to report that I participated as an invited guest at the November 4th meeting of the Academic Senate Instruction Committee deliberations on ways to improve the timely completion rates of senior projects, as one element of campus-wide efforts for student success and improvements in Cal Poly graduation rates. There are substantial differences between colleges and programs. The Academic Senate Instruction Committee will look at ways in which to improve student progress and will return to the Senate with some guidelines. c) The Academic Senate meeting of November 19th will be presided by Vice-Chair Del Dingus, because I will be away in Salt Lake City, Utah to make a presentation to the Utah Board of Equalization November 19-20th.

B. President's Office: (Howard-Greene) we are waiting for the election results; especially prop 47 and its consequences. The revised policy for Free Speech is now publicly available at the CAP web site under draft policy. Any comments in regards to this policy should be sent to Dan Howard-Greene.

C. Provost Office: (Zingg) A policy on biased incident reports, which will clarify the procedures and protocol on how to deal with incidents such as the gay and lesbian group painting of the P or the distribution of racial flyers will be completed soon. The president’s outline in September on student success, diversity, and campus climate has created two new task force groups. In honor of
the 10th anniversary of Cal Poly Division 1 athletic programs, a full internal review will be taking place. The Athletic Governing Board does not sponsor this review but they will be involved in this study and the scale and scope of the review will be worked out before the end of the quarter. The selection of faculty for the CAED dean search committee is now completed and the initial review of applicants will begin before the end of the quarter. Cal Poly has requested a 2.3% reduction in enrollment for next year. This enrollment reduction will roll us back to the number of students 2 years ago and will enable us to work closely with students enrolled and funding available.

D. Statewide Senators: (Menon) Jackie Kegley, Chair of the Statewide Academic Senate, has been nominated for the position of CSU Faculty Trustee. An offer was made to support Bob Cherny, from San Francisco State University, but he declined the nomination.

E. CFA Campus President: (Manzar) The Board of Trustees has now approved the proposed budget for next year, but the Chancellor still has the option to modify it. The good news about the approved budget is that for the first time in the history of CFA a proposed amendment was discussed and was supported by some trustees, although it failed to get majority approval.
