Preparatory: The meeting was opened at 3:15 p.m.

I. Minutes: The minutes for the Academic Senate Executive Committee meeting of February 14, 2006 were approved.

II. Communication(s) and Announcement(s): None.

III. Reports:
   A. Academic Senate Chair: (Hannings) This month’s Social Hour, co-hosted by the President’s Office and the Kennedy Library will be held Thursday, March 30, from 4-6 pm at Veranda Conference Room. The Academic Senate will be holding a faculty election on the Amendment to the Constitution of the Academic Senate of the California State University. This amendment to the CSU Constitution recommends reducing the size of the senate due to the budget shortfall that has emerged since the expansion of the Senate in 2002. If approved, this amendment will decrease the size of the Statewide Senate by five senators and Cal Poly’s statewide representatives to two. Ballots will be mailed out to all faculty on April 10, 2006.

   B. President’s Office: None.

   C. Provost Office: (Detweiler) Student enrollment for spring quarter 2006 is above the annual enrollment target by at least 2.5%. Next year’s allocated student enrollment growth of 2.5% over this year’s enrollment will be funded at a 3.5% growth. The CSU is utilizing a new way of calculating student funding which calculates funding of Graduate students at 12 hours of FTE while Undergraduate students are funded at 15 hours of FTE. Cal Poly is the strongest competitor against the UC system for students’ admissions, especially in the areas of engineering and science. Cal Poly continues to attract solid students but competition is intensifying, therefore, in order to sustain the same level of competitiveness Cal Poly must offer more scholarships to students. A more difficult task for the state of California is the shrinking availability of math and science programs offered to younger students. The search for a dean of Liberal Arts has been completed and a recommendation has been made to President Baker while the search for dean of the Library and Vice President for Advancement are expected to be completed within the next 6 weeks. The search for a new Provost continues with a current pool of 35 active applicants.

   D. Statewide Senators: See attached report from John Tarjan, Secretary for the Statewide Executive Committee.

   E. CFA Campus President: (Foroohar) Bargaining negotiations continue with the CFA and CSU bargaining units attempting to reach an agreement where all campuses would have a summer session equivalent to 15 units. The deadline for local CFA elections is tomorrow. The Academic Senate supports the policy created by a campus committee on the subject of intellectual property policy. Proposed revisions to this policy have been given to the Chancellor’s Office, Susan Opava’s Office, and Mike Suess’ Office for their review and consideration. CFA is continuing its salary negotiations, specifically concerning merit pay, but so far there is no agreement.
F. ASI Representative: None.

G. Other: Schaffner, chair of the Instruction Committee: Report on new scheduling time patterns. The Academic Senate Instruction Committee met at the end of last quarter to discuss the proposed changes to the class time scheduling patterns. It is the recommendation of the committee to revert to the current schedule after fall quarter, where changes are already slated into place. The motivation to make changes to the schedule is twofold: to optimize classroom usage and to reduce class scheduling conflicts for students. The objective before the Instruction Committee was to address these issues while maintaining instructional integrity. After much discussion regarding the pedagogical sensibility of the issue at hand, it was decided that the Instruction Committee return to the Executive Committee with a formal resolution.
