UNLOADING & PARKING

Please park in the designated parking areas, and not along curbsides or in the No Parking zones—even for a moment.

Use Lot K-1 for unloading, rather than the Grand Avenue Parking Structure.

LOADING BINS

Each community front desk* has been equipped with large rolling bins (40” long, 28” wide, 32” high). They are designated for moving out your personal items and for donations. Rolling bins will be available through Sunday, June 18 and, at Poly Canyon Village, through Tuesday, June 20.

Large rolling bins will also be available Wednesday, June 14 through Friday, June 16, 8 a.m. - 5 p.m. at the Sierra Madre basketball court, the upper level of Cerro Vista and at Poly Canyon Village’s Canyon Circle. Additional trash and recycling centers are also available.

*Residents of North Mountain Halls, use the front desk of Santa Lucia Hall.
