SLO PD and Fire
SLO Days 2016
SLO Fire Department

• Your all-hazards Fire Department on and off campus
• All fire companies staffed with paramedics and deployed for our 4-minute response time goal
• We are honored to serve the Cal Poly campus and enjoy so much of what Cal Poly students do in our community…
Facts of life for Cal Poly parents...

• Preamble: you wouldn’t be here if your student weren’t *amazing*!
• Three different broad experiences converge in this special and unique environment
• You will leave, and your student will be confronted with a myriad of social decisions and pressures
• This is not a “Cal Poly thing” or a “San Luis Obispo thing” – this is a “college thing”
Sadly, this is how our community meets some of your students...
Real incidents in our community...
Respectfully offered words of advice

• Start the dialogue yesterday!
• Be realistic, be honest, be blunt, and listen
• Continue the dialogue thru graduation
• Be loving, supportive, consistently curious, and approachable
• Lay the foundation so you are who your student calls when he/she makes a mistake and/or needs help
Respectfully offered words of advice

• Partner with your student, Cal Poly, and us to keep all those amazing doors of opportunity open for your student.

• If for no other reason than so you can permanently convert your student’s bedroom at home into your man cave, wine cellar, or yoga studio!

**Don't Be THAT Neighbor**

You can pick your friends, you can pick your nose, but you can't always pick your neighbors.

Pipe Down
Avoid making loud noises.

Be Classy, Not Trashy
Pick up after yourself and your pets.

Park Smart.
Park on the street or in your driveway.

See reverse for more Good Neighbor tips.

**SUPER FAIL**

Avoid Party Regret

This Halloween, laws are strictly enforced and fines DOUBLE.

SLOPD is working to make the community safer and more enjoyable.

Avoiding a Party with Minors Drinking

- Minor in Possession of Alcohol
  - Fine of $100
- Noise Violations
  - Fine of $350

Don't make this Halloween a Super Fail by spending it in jail.

---

**AVOID PARTY REGRET**

Nobody likes a party that ends with a huge fine or an arrest on their criminal record.

The start of school is now a Safety Enforcement Zone, which means FINES ARE DOUBLED for minors, open container, social hazing, and noise.

- Hosting a Party with Minors Drinking
  - Misdemeanor and fines in excess of $1,445
- Noise Violation
  - 1st offense: $500, 2nd offense: $700, 3 or more offenses: $1,000
- Drink in Public
  - Fines starting at $527
- DUI
  - Fines starting at $5,000
- Public Urination
  - Fines starting at $350
