

CalPolyGuest Wireless Access

Step 1: Select Network

Open the list of wireless networks on your device and find **CalPolyGuest**.

Step 2: Create Account

The login page should appear automatically. Follow the **Need an account? Click Here** link, which will take you the Visitor Registration page.

Step 3: Visitor Registration

Enter your information in the required fields and check the **Confirm** box, then click the **Register** button.

A screenshot of the Cal Poly Visitor Registration page. The page features the Cal Poly logo at the top. Below the logo, there is a red instruction: 'Please complete the form below to gain access to the network. Guest accounts are valid for 5 days, after which you may re-register using the same e-mail address and password.' The registration form is titled 'VISITOR REGISTRATION' and contains the following fields:

- * YOUR NAME: [Text input field] Please enter your full name.
- PHONE NUMBER: [Text input field] Please enter your contact phone number.
- * EMAIL ADDRESS: [Text input field] Please enter your email address. This will become your username to log into the network.
- * PASSWORD: [Text input field] Please enter the password you would like to use. (Must be at least 8 characters and contain at least one numeric digit, 1 special character and a combination of upper and lower case letters.)
- * CONFIRM: I accept the terms of use

A 'Register' button is located at the bottom of the form. A red box highlights the 'Register' button and the 'CONFIRM' checkbox. Below the form, there is a legend: '* required field' and a link: 'Already have an account? Sign In'.
