California has a two-tier credential structure. A five-year preliminary credential is the first credential issued after an individual meets basic credential requirements. A clear credential is issued when all credential requirements have been completed.

The Administrative Services Credential authorizes the holder to provide the following services in grades 12 and below, including preschool, and in classes organized primarily for adults:

- Develop, coordinate, and assess instructional programs
- Evaluate certificated and classified personnel
- Provide students’ discipline, including but not limited to, suspension and expulsion
- Provide certificated and classified employees discipline, including but not limited to, suspension, dismissal, and reinstatement
- Supervise certificated and classified personnel
- Manage school site, district, or county level fiscal services
- Recruit, employ, and assign certificated and classified personnel
- Develop, coordinate, and supervise student support services, including but not limited to extracurricular activities, pupil personnel services, health services, library services, and technology support services

An individual must hold an Administrative Services Credential to provide the following services in grades preschool, K-12 and adults:

- Evaluate the quality and effectiveness of instructional services at the school site level
- Evaluate of certificated personnel employed at the school site level, with the exception of the site administrator
- Student and certificated personnel employee discipline services at the school site level

**Individuals Prepared Outside of California**

Individuals prepared out-of-state or in a country outside the United States or U.S. territories should refer to Commission leaflet CL-574, entitled *Administrative Services Credentials for Individuals Prepared Out-of-State*.

**Requirements for the Five-Year Preliminary Credential**

Individuals must satisfy all the following requirements:

1. Possess a valid prerequisite credential (see Terms and Definitions)
2. Complete one of the following:
   a. A Commission-approved program of specialized and professional preparation in administrative services resulting in the formal recommendation of the program sponsor or,
b. A one-year Commission-approved administrative services intern program consisting of supervised in-service training resulting in the formal recommendation by the California college or university where the program was completed or,

c. Achieve a passing score on the California Preliminary Administrative Credential Examination (CPACE), administered by Evaluation Systems, Pearson, or the School Leaders Licensure Assessment (SLLA), exam #1010, administered by Educational Testing Service (ETS).

- Passing examination scores must be used for credentialing purposes within five years of the passing exam date
- Individuals who pass one of the above examinations may apply directly to the Commission for the credential
- Include an original score report showing passage of the examination with the application

**NOTE:** The last administration of the SLLA #1010 was February 26, 2011. For more information on administration of the CPACE, see the exam test web site [http://www.ctcexams.nesinc.com/about_CPACE.asp](http://www.ctcexams.nesinc.com/about_CPACE.asp).

4. Effective July 1, 2013, complete five years of full-time experience (see Terms and Definitions)

5. Verify employment in an administrative position on form **CL-777** (Individuals who complete the requirements for the credential by the passage of an administrative examination, as outlined in item 2c above, are exempt from this requirement.)

An individual who has completed requirements 1–4 above but does not have an offer of employment in an administrative position may apply for a Certificate of Eligibility, which verifies completion of all requirements for the preliminary credential and authorizes the holder to seek employment as an administrator. The Certificate of Eligibility has no expiration date. Once securing an offer of employment, the holder of a Certificate of Eligibility may apply for the preliminary credential by submitting an application (form 41-4), a *Verification of Employment Form (CL-777)*, and current processing fee to the Commission office.

**Term of the Preliminary Credential**

The valid period of the Preliminary Administrative Services Credential is limited by the expiration date of the prerequisite credential. The preliminary credential may be renewed for any time remaining up to the five full years allowed at the same time of renewing the prerequisite credential by submitting an additional application (form 41-4) and processing fee. However, if the prerequisite credential is valid for the full five year period from the issuance date of the preliminary administrative credential, the administrative credential will be valid for the full five year period upon issuance. For this reason, it may take one complete renewal cycle to align the dates of the prerequisite and administrative credentials. By the end of the five-year preliminary period, the holder must meet the requirements for the clear credential.

**Requirements for the Clear Credential**

Individuals must satisfy all of the following requirements:

1. Possess a valid Preliminary Administrative Services Credential (see Terms and Definitions)
2. Verify a minimum of two years of successful experience in a full-time administrative position in a California public school, nonpublic school, or private school of equivalent status, while holding the Preliminary Administrative Services Credential.

3. Complete one of the following:

   a. Obtain the recommendation of a Commission-approved program verifying completion of an individualized program of advanced preparation designed in cooperation with the employer and the program sponsor

   b. A State Board of Education-approved Administrator Training Program. Verification of program completion (Modules 1, 2 and 3) must be submitted with the individual’s direct application to the Commission. (Information on the Administrator Training Program, including approved programs and providers, may be accessed through the California Department of Education (CDE) website at www.cde.ca.gov).

   **NOTE:** Individuals using the ATP to earn the Clear Administrative Services Credential must have completed the program, the online survey required by CDE, and applied for the Clear Administrative Services Credential by **April 1, 2014**. This includes the printing of all Certificates of Completion (which require a superintendent signature when submitting to the Commission). The last date for receipt of an application or for issuance of the clear credential based on the ATP was **April 1, 2014**. Questions regarding the ATP should be directed to staff at the California Department of Education (See **Coded Correspondence 12-09**).

   c. Meet Mastery of Fieldwork Performance Standards through a Commission-approved program. Colleges and universities with approved programs leading to a Clear Administrative Services Credential may offer a streamlined assessment option to allow candidates to forego the coursework component of the program and allow them to demonstrate their knowledge, skills and abilities through the assessment component of the program.

      - The assessment must result in formal recommendation for the credential and the application for the credential based on this evaluation must be submitted by the college or university that conducted the evaluation

   d. A Commission-approved alternative program based on Commission-adopted guidelines resulting in a formal recommendation from the program sponsor

      - The application must be submitted by the program sponsor via the online application submission process

   e. A Commission-approved performance assessment, when available

**Term of the Clear Credential**

The term of the clear credential may not exceed five calendar years and may be limited to expire with the prerequisite credential (see Terms and Definitions). The clear credential is renewable online.

**Appeal for Extension**

Individuals who did not complete the ATP and all additional requirements for the clear credential by April 1, 2014 will need to contact a Commission-approved program for one of the other options to earn the clear credential.

Individuals not enrolled in the ATP in need of additional time to complete program requirements for any of the remaining options (a, c, d, or e) outlined above may request a one-year extension by appeal. See **Credential Leaflet AL-3 Extension by Appeal for Credentials and Permits** for submission details.
TERMS AND DEFINITIONS

Experience (to Earn a Preliminary Credential)

Five years of successful, full-time experience in a California public school, nonpublic school, or private school of equivalent status. This experience may be teaching, pupil personnel work, librarianship, health services, clinical or rehabilitative services, or a combination of teaching and school services equal to five years. Substitute or part-time service does not apply. Verification of experience must be on the district or employing agency letterhead and signed by the superintendent, assistant superintendent, director of personnel, or director of human resources. School or district personnel other than the applicant must verify all experience.

California public school employers encountering difficulty in recruiting a suitable candidate with the required five years of experience may request a waiver of up to two years of the required experience for the issuance of a Preliminary Administrative Services Credential. To qualify for the waiver, candidates must complete a Commission-approved Preliminary Administrative Services program, hold the appropriate clear or life prerequisite credential, and have been offered employment in an administrative position. The two-year experience waiver is not available to candidates who choose the examination route or for those applying for a Certificate of Eligibility. The six criteria required to waive up to two years of experience are found in Coded Correspondence 13-08.

Full-Time Service

Full-time service means service for a minimum of four hours per day for at least three-fourths of the total days in the school year. Substitute or part-time service does not apply.

Prerequisite Teaching Credential

For the Administrative Services Credential, effective July 1, 2013, a prerequisite credential is defined as:

- A valid California clear or life teaching credential requiring a bachelor’s degree and a program of professional preparation, including student teaching; or
- A valid California clear or life Designated Subjects Teaching Credential, provided the holder also possesses a bachelor’s or higher degree from a regionally-accredited college or university or
- A valid clear or life California Pupil Personnel Services Credential, Teacher Librarian Services Credential, Speech-Language Pathology Services Credential, Clinical or Rehabilitative Services Credential, or a School Nurse Services Credential, requiring a bachelor’s degree and a program of professional preparation, including field practice or the equivalent.

Holders of any of the other Health Services Credentials, such as the school physician, dentist, dental hygienist, optometrist, clinical psychologist, and psychiatric social worker, do not meet this requirement.

Valid Preliminary Administrative Services Credential

For the purposes of the Administrative Services Credential, the term “valid” means that the holder met the requirements to have held the preliminary credential which afforded the individual the opportunity to gain the necessary experience and to complete academic requirements to earn the clear credential. It does not mean that the document must be active date-wise when applying for the clear credential.
Administrative Experience (to Earn a Clear Credential)

Two years of successful experience in a full-time administrative position in a California public school, nonpublic school, or private school of equivalent status, while holding the Preliminary Administrative Services Credential. Verification of experience must be on the district or employing agency letterhead and signed by the superintendent, assistant superintendent, director of personnel, or director of human resources. School or district personnel other than the applicant must verify all experience.
