

Appendix L: Assessment Plans – Looking Ahead

This section should include a draft program assessment plan for the next six years, drawing on the PLOs and their mapping to the curriculum in section III.A. If you don't have a current plan, you may use the simplified template provided below.

When will the assessment take place? (e.g., academic year)	Which PLO(s) will the assessment address?	Where will the assessment take place? (e.g., in a course)	What form will the assessment take? (e.g., an evaluation of a student artifact)
