ACADEMIC SENATE of CALIFORNIA POLYTECHNIC STATE UNIVERSITY, SAN LUIS OBISPO

AS-120-81/CC October 13, 1981

RESOLUTION REGARDING 1981-1983 CATALOG AND FORTHCOMING CURRICULUM CYCLE

Background: Through the remainder of 1981 and all of 1982 the major effort on this campus will be directed towards a total redesign of the General Education and Breadth Program. The task of configuring curricula to conform to the redesigned General Education and Breadth Program will require a significant effort in and of itself. It is the consensus of the Curriculum Committee of the Academic Senate that a major revision of the curricula, under interim General Education and Breadth guidelines be avoided. Further, it is agreed that the Curriculum Committee devote its efforts this year to restructuring the curricula review process.

RESOLVED:

That the current 1981-1983 catalog be extended an additional year.
