ACADEMIC SENATE
OF
CALIFORNIA POLYTECHNIC STATE UNIVERSITY
San Luis Obispo, California

AS-442-95/CC
RESOLUTION TO
RENEW CURRICULAR REVIEW CYCLE

Background Statement: The regular process of curricular review leading to publication of a university catalog was suspended during 1994-95 in order for the campus to consider major curricular reform. Pending the conclusion of this process and a decision by the Academic Senate to institute major reforms, the Curriculum Committee believes review should resume in order to accommodate ongoing revisions. The committee believes that programs should not wait an excessive amount of time before instituting reasonable and necessary adjustments to their curricula.

Pending university-wide decisions on major curricular reform, the Curriculum Committee proposes the institution of a modified one-year review cycle in 1995-96. During this review process, programs may formalize ongoing curricular changes as well as institute necessary routine changes. Such changes will be published in a supplemental catalog.

WHEREAS, The curriculum review cycle was suspended AY 1994-1995 to facilitate university consideration of major curricular reforms, and

WHEREAS, Such consideration of major reforms is still ongoing and has not reached resolution, and

WHEREAS, Degree programs should not be delayed in making regular and necessary changes to their curricula; therefore, be it

RESOLVED: That a modified one-year curriculum review be undertaken in AY 1995-1996.
