ACADEMIC SENATE  
of  
CALIFORNIA POLYTECHNIC STATE UNIVERSITY  
San Luis Obispo, CA

AS-545-001FAC  
RESOLUTION ON  
1999-2000 FMI Procedures

- 1   Whereas:    The faculty unit collective bargaining agreement (MOD 31.13) requires all faculty unit  
2                    employees to provide annually a Faculty Activity Report (FAR) of her/his activities  
3                    irrespective of whether s/he is applying for a Faculty Merit Increase (FMI); and
- 4   Whereas:    The FAR form is used for both FM! and SSI (Salary Service Increases); and;
- 5   Whereas:    In the two previous FM! cycles the FAR form was confusing because it was not clear that  
6                    the faculty unit employee was to document all activities relevant to her/his job assignment  
7                    for the applicable period; and
- 8   Whereas:    The FAR form was inconsistent with requirements of MOD 31.29 because the form  
9                    allowed a faculty member to opt not to have her or his name and award published; and
- 10   Whereas:   The FAR form seemed to some faculty members to be demeaning by requiring them to  
11                   state that yes, they wanted to be considered for an FMI; and
- 12   Whereas:   Some faculty members who did not have full-time assignments were confused when their  
13                   FM! awards were paid proportionate to their time bases;
- 14   Whereas:   It is important for faculty to know what features of their performance determined whether  
15                   they did or did not receive an FMI award and what features of their performance  
16                   determined the amount of the FM! award received; therefore, be it
- 17   Resolved:   That each department and each dean involved in the FM! review process collaborate in the  
18                   development and publication, in advance, of the criteria commensurate with each of the  
19                   four areas of emphasis that will be used to determine FMI awards; and be it further
- 20   Resolved:   That each department and each dean involved in the FMI review process inform each  
21                   faculty member in writing of the way in which the criteria were applied in his or her case;  
22                   and be it further
- 23   Resolved:   That the FAR form be revised as per the attached sample; and be it further
- 24   Resolved:   That the attached FM! and SSI calendars be adopted; and be it further
- 25   Resolved:   That deans inform their faculty that FM! awards are paid proportionate to the faculty  
26                   member's time base; and be it further

27 **Resolved:** That the deans and departments involved in the FMI review process distribute the FMI  
28 awards as broadly and equitably as possible.

Subject: Response to Academic Senate Resolution AS-545-00-/FAC  
Resolution on 1999-2000 FMI Procedures

---

The subject resolution has been received. The efforts by the Academic Senate to improve and clarify the procedures for both the Faculty Merit Increase (FMI) programs as well as the Salary Service Increase (SSI) program are most appreciated. I agree with the overall intent of the Resolution and approve its implementation of its provisions with a few minor changes referenced below. At the onset, I wish to affirm that excellence in teaching continues to be the most critical responsibility of instructional faculty.

Although it is not feasible to expect implementation of the first and second resolves before September 29, 2000, I will ask the colleges and departments to collaborate on developing criteria and notification mechanisms prior to the end of Winter Quarter 2001.

The proposed changes to the Faculty Activity Report (FAR) are acceptable except for the inclusion of the first set of four boxes and related statements at the top of the form. Please note that these are no longer included on the EAR provided in Appendix F of the current Memorandum of Understanding. Their inclusion in last year's cycle contributed to the confusion and false expectations by some that FMIs could be based on only one area of a faculty member's assignment instead of demonstrated performance commensurate with the employee's entire work assignment.

Appended are the approved SSI and FMI calendars for 2000-01 and the Faculty Activity Report. Once again, please extend my appreciation to the Senate for addressing these issues.
