NOTES:

Tom Gutierrez took on Chair duties mid-Fall quarter 2018 to fill the vacancy. An e-meeting was held announcing this with the intention to organize an in-person meeting in Winter 2019 to develop a charge. As Chair of the RSCA committee, Tom Gutierrez was called on by Chris Kitts, Dean of Research at the Office of Research and Economic Development, to serve on an ad hoc Research Integrity Committee to investigate a case of scientific misconduct for Winter 2019.
