

**Distinguished Scholarship Awards Committee
Fall 2010 report**

The Distinguished Scholarship Awards (DSA) Committee met three times during fall quarter (October 7, October 13, and October 21). The committee had two goals for the quarter: to solicit and screen nominations; and to revise the DSA description and criteria.

A revised description with new criteria is now at the final draft stage and will be voted on by the committee at the beginning of winter quarter. If approved by the committee, it will be sent to the Academic Senate for final approval.

With the help of the Academic Senate office, nominations were solicited through email from faculty, students, and alumni. Fifty-three eligible candidates were nominated by the December 6 deadline.

In winter quarter, the committee will evaluate the nominees and will recommend two awardees to the President's Office and Academic Senate.
