

**To:** Cal Poly Academic Senate  
**From:** Neal MacDougall  
Chair, Academic Senate Sustainability Committee  
**Re:** Fall Quarter 2013 Progress Report  
**Date:** December 21, 2013

The Committee met once during Fall quarter. Because of the lack of a chair of the committee (which is now occupied by the previous chair), the committee decided to focus its winter quarter activities on producing a resolution on sustainability and GE. This was recommended by Steve Rein, the chair of the Academic Senate.
