NOTES:

The DSA committee did not meet in person during fall quarter since all of the necessary DSA committee work could be done by email. Along with the Academic Senate office, the DSA committee chair publicized the call for nominations, screened the nominees, and requested CVs and short statements from the eligible nominees. The deadline for these documents was December 17, and they have been circulated to the DSA committee. The committee will discuss the nominees at its first meeting in winter 2019.
