NOTES: The list of nominees was sent to the administration to check faculty for eligibility. After receiving the list of eligible nominees, we contacted them to submit their CV and a 250-word summary of their teacher-scholar activities. We received 31 submissions of CVs and statements and 3 responses declining to submit material. The Academic Office is currently compiling the submissions so they are accessible by the entire committee. The committee has scheduled two meetings (January 16th and 30th) for next year already.
