

## ACADEMIC SENATE – Curriculum Committee

Fall 2020

Due: Thursday, December 10, 2020

| MEMBERS             |              |
|---------------------|--------------|
| Name                | College/Unit |
| Anderson, Christian | CLA          |
| Bohr, Gregory (CH)  | CLA          |
| Giberti, Bruno      | Admin        |
| Keen, Aaron         | CENG         |
| Lammert, Amy        | CAFES        |
| Loarie, Tess        | ASI          |
| Lowham, Elizabeth   | Admin        |
| Metcalf, Lynn       | OCOB         |
| Parsons, Daniel     | Admin        |
| Robinson, Alison    | Admin        |
| Strawn, Tim         | PCS          |
| Torgerson, Louise   | PCS          |
| Walker, John        | CSM          |
| Watts, David        | CAED         |
| VACANT              | Admin        |

| CHARGES   |                          |   |
|---|--------------------------|---|
| Charge  | Complete?                | Status/Notes  |
| Discuss and clarify impact of double counting on majors and minors. <b>AY 2020-21</b> | <input type="checkbox"/> | This will be a primary activity in Winter and Spring, 2021  |
| Review curriculum proposals. <b>Ongoing</b>   | <input type="checkbox"/> | Our only activity for Fall 2020 was reviewing proposals for the 2021-22 Catalog, including GE recertification proposals for areas A and B. The committee met via Zoom Thursday and Friday, 2-5 pm in most weeks to review approximately 244 course proposals and 101 program proposals (our actual number was a bit lower than that given that the Office of the Registrar is able to deal with the more administrative changes without involving the committee). Status of proposals can be found at <a href="https://registrar.calpoly.edu/status-proposals">https://registrar.calpoly.edu/status-proposals</a> |

### NOTES:

During review of proposals in two different colleges, questions came up about the appropriate amount of unit repeatability for activity/learn-by-doing type courses, as well as for more traditionally academic topics in subtitle (umbrella) courses. The committee intends to discuss

this further in Winter and Spring 2021, and eventually seek formal guidance from the Senate in the form of a resolution.
