

**Distinguished Scholarship Awards Committee
Winter 2010 report**

The Distinguished Scholarship Awards (DSA) Committee met three times during fall quarter. Other business was conducted by email. This year, the DSA Committee received another strong batch of nominations through the online nomination form.

On January 28, the Committee met to verify the eligibility of the various nominees. All eligible nominees were asked for a five-page CV and short statement.

On March 3 and March 9, the Committee met to discuss the CVs and statements. As of March 15, the Committee continues to discuss candidates for the short list of nominees who will be asked for full CVs and longer statements.

During spring quarter, the Committee will finalize its recommendations for the award and will revise the criteria for the DSA.
