### NOTES:

The Fairness Board receive one (1) grade-related grievance from a student during winter quarter of 2019. At the first informal hearing, the Fairness Board determined that the case had enough merit to move on to a formal hearing with both parties. At the formal hearing, both parties separately gave their statements, submitted evidence, and answered questions from the Board. Based on the evidence provided, the Board voted to dismiss the case due to a lack of conclusive evidence from the grieving party. Both parties were informed of the Fairness Board’s rationale in writing.
