

**Distinguished Scholarship Awards Committee  
Spring 2011 report**

The Distinguished Scholarship Awards (DSA) Committee completed its work for the year during winter quarter and thus did not meet during the spring. Because Don Choi, the DSA committee chair, originally was scheduled to be in Japan for spring quarter, the timeline for 2010-2011 was accelerated.

The DSA committee was pleased to attend the annual DSA colloquium, held on June 7 at the Albert B. Smith Alumni and Conference Center. This was the first time that the colloquium had been held during the same year as the announcement of the awards, and the committee chair recommends continuing this practice if feasible.

Don Choi  
Chair, Distinguished Scholarship Awards Committee
