

**Distinguished Scholarship Awards Committee
Spring 2013 Report**

The Distinguished Scholarship Awards Committee, having chosen its Awardees at the end of Winter Quarter, worked with the President's Office to schedule the Interdisciplinary Colloquium in late May. However, due to unexpected unavailability of one of the Awardees, the event was postponed until Fall of next year, and so there were no formal meetings of the committee in Spring.

Brett Bodemer,
Chair, Distinguished Scholarship Awards Committee
