Fairness Board Chair

Copies: None

Subject: FAIRNESS BOARD SPRING QUARTER 2014 REPORT

- During Spring Quarter 2014, the Fairness Board met by e-mail to discuss one case. The agenda for the meeting was to determine whether or not there was merit to continue a case brought by a student. The board decided the case had merit to proceed to a hearing. Before a hearing was scheduled, a settlement was offered and accepted by the student. The case is now on hold, pending final disposition of the settlement.
- Fairness Board contact included, in addition to the above:
 1. The Fairness Board chair was contacted by the chair of the Academic Senate regarding a possible case. The case was quickly settled through other channels.
 2. The Fairness Board chair was contacted by the Dean of Students regarding a possible case. This was right at the end of the quarter, and the case may continue to the fall.

Disposition of Charges for the Committee

- No new resolutions were offered to the Academic Senate.
- Ongoing review of student grade grievances
