ASI Written Report

- Every Academic Senate Committee with a student representative requirement should currently have a student seated. If you have reached out to your student representative regarding committee meetings and have not received any response, please let us know.
- The Cal Maritime Integration Ad Hoc Committee continues to work on our shared governance plan. Meetings are held weekly on Tuesdays from 11:00 a.m.–12:00 p.m. If you have questions, please reach out to Marc Cabeliza or Alyson Engel.
- Our Chair of the Board, Alyson Engel, is developing outreach plans to connect board members with their colleges and to strengthen relationships between student representatives and their Deans' Offices. Alyson is also leading a revamp of the Student Representation on Auxiliary Boards policy and serving as an elected member of the CSSA Internal Affairs Committee.
- Marc Cabeliza leads the Student Community Liaison Committee (SCLC), which includes members from Cuesta College, Cal Poly, and the City and County of San Luis Obispo. Two meetings have been held so far, with presentations on the Cal Poly Master Plan and the "Meet Your Neighbor" competition. Upcoming presentations will cover the Cuesta College Master Plan, an overview of CPPD, and Halloween planning. Meetings take place on the third Thursday of each month from 3:10–5:00 p.m. at City Hall.
