Pursuant to AS-829-17, "Items removed from the Academic Senate consent agenda will be placed on the Senate agenda as business items. Personnel policy revisions shall be presented as reports attached to resolutions. The report contains the new university policy and all background or explanatory information about the change in policy. The Academic Senate Faculty Affairs Committee chair (or designee) is responsible for presenting the policy proposal to the Academic Senate Executive Committee and to the Academic Senate. The Academic Senate Chair (or designee) may invite interested parties concerning the policy proposals to be present at the meetings where pulled proposals will be discussed. Items not removed from the consent agenda are considered approved on the meeting date of the consent agenda."
