Committee members are reminded of the importance of communicating with their constituents on issues of interest. The effectiveness of standing committees is directly related to timely input from represented groups.

The above appointments are effective immediately and remain in effect until appointments are announced for the next academic year. Each standing committee will be requested to submit an annual report to me with a copy to the University Committee on Committees at the conclusion of the academic year.

Attached is an outline of the Athletics Advisory Board's function and membership. New members are urged to consult their predecessor for background information on this committee.
