<b>Charge</b>	<b>Status/Notes</b>
Ongoing charge of evaluating candidates and recipients for Distinguished Scholarship Award.	The DSA committee chair and the Academic Senate office solicited nominations during fall quarter. After receiving the nominations, the committee chair contacted all eligible nominees to request a short CV and statement, due December 16.

### **NOTES:**

The DSA committee did not meet in person during fall quarter. Don Choi, the committee chair, was teaching in Tokyo for the quarter so all communications were conducted via email. This had no effect on the soliciting and screening of the nominations. In-person meetings will be held during winter and spring to first select a group of finalists and then to select three nominees to recommend for the DSA.
