

Campus Parking and Transportation Advisory Committee

Function

The Campus Parking and Transportation Advisory Committee (PTAC) is an advisory body that reports to the Senior Vice President of Administration and Finance, who has ultimate responsibility and final authority for the parking and transportation programs on campus. The Committee will consider and make recommendations related to campus parking and transportation programs including alternative transportation programs and programs provided by local transit agencies that directly impact campus and its constituents.

Specifically, responsibilities of the Committee shall include:

1. Review existing transportation programs
2. Explore and recommend new programs to improve campus parking, traffic flow and alternative transportation needs
3. Recommend priorities for use of parking fines and forfeitures revenue
4. Liaison/representation of campus stakeholder groups
