To view the proposal for a course or program, go to My Cal Poly Portal - Academics tab - Curriculum Management portlet. Select the Course Inventory Management link to search for a course; select the Program Management link to search for a program. Issues, concerns, and questions regarding a curriculum proposal should be directed to John Walker, chair of the Academic Senate Curriculum Committee. If the concern is strong enough, any voting member of the Executive Committee member may request an item to be removed from the Consent Agenda by **July 25, 2025**.

Pursuant to the curriculum appeals process adopted by the Academic Senate on May 4, 2010, "Items removed from the Consent Agenda will be placed on the Senate agenda as discussion items. The Senate Chair (or designee) will invite representatives from the concerned departments and the Academic Senate Curriculum Appeals Committee to be present at the meetings where pulled proposals will be discussed. Following discussion in the Senate, the Academic Senate Curriculum Appeals Committee will make the final decision to approve, disapprove, or return the items to committee (at any level) for further development. Items not removed from the Consent Agenda are considered approved on the meeting date of the Consent Agenda."
