**SENATORS**

- Elected by colleges, roughly one senator per department:
  - Communicate with college/department constituents: agenda, general issues, canvass before meetings for questions and votes

- Attend Senate meetings and observe parliamentary procedure

- Arrange for proxy in writing if not able to attend a meeting. Only a person from your area may vote your proxy.

- Technically, a Senator can be dismissed from Senate duty if s/he misses two consecutive meetings without substitutes.

- If unable to attend meetings for a whole quarter (or more), work with the caucus chair to find a replacement.
Senate Meetings

- Common meeting structure: MINUTES • REPORTS • BUSINESS ITEMS

- We follow Robert’s Rules of Order (11th ed.) and our own bylaws
  - For simplicity, most procedures can use abridged rules (see chart)
  - It is customary to address the Chair when speaking
  - Senators may cede their time to guest speakers with permission from the Chair

- Because our meetings are fixed time and not open-ended:
  - Speakers should limit questions and comments to 2 minutes
  - Speaker will typically only be recognized twice in one reading in one meeting
  - Chair can modify these but Chair’s decisions can be overruled by body
We keep a speakers’ list during Q&A and debates

- Raise hand, Vice Chair will put you in the queue; questions in the chat are ok, and will be logged in the transcript, but aren’t necessarily addressed directly

- Chair will recognize you

- Chair does not necessarily follow the order of the speaker’s list

- Speakers who have not yet spoken may be given priority

- Follow Zoom etiquette as outlined in the agenda email (meetings are recorded)

TDG, Fall 2020
RESOLUTIONS (SEE CHART)

- Proposed resolutions (our version of “bills”) come from Senate committees and other university community members.
- The Executive Committee determines which to agendize. Once a resolution is agendized, it will be taken up by the Senate as a first reading.
- Resolutions range from legislative to advisory
- Resolutions placed on the Senate agenda undergo first and second readings.
- During a first reading, the resolution cannot be amended, but the body can discuss the resolution and make suggestions for improvement.
...the Academic Senate is empowered to exercise all legislative and advisory powers on behalf of the General Faculty. These legislative powers shall include all educational matters that affect the General Faculty (e.g., curricula, academic personnel policies, and academic standards). Advisory powers shall include, but not be limited to consultation on budget policy, administrative appointments, determination of campus administrative policy, university organization, and facilities use and planning.
RESOLUTIONS (CONT.)

✧ If a resolution is time sensitive, it may be moved to a second reading at the same meeting.

✧ A resolution moved, seconded, and voted to a second reading may be amended by the Senate.

✧ As a courtesy, it is preferable if proposed amendments are provided in advance of meetings.

✧ Second-reading discussion is focused on arguments directly supporting or opposing the resolution.

✧ At the second reading, a resolution may be moved and seconded to a vote for adoption.
Resolutions (cont.)

- When a resolution is voted on, the Senate officers and support staff will record the total number votes in the affirmation, opposition, and abstention.

- Resolutions are either adopted, rejected, withdrawn, referred to committee, or postponed (time certain if we do not intend to postpone indefinitely).

- If unresolved at the end of the year, a resolution is dropped and would need to be re-agendized the following year by the Executive Committee.
