

**Intellectual Property Review Committee**

**Annual Report to the President, Academic Year 2017-2018**

June 12, 2018

From: Bing Anderson, Chair

Following is a summary of the Intellectual Property Review Committee during AY 2017-2018:

1. PATENT FILINGS/PATENTS ISSUED.

There was extensive patent activity over the past year resulting from the research, scholarship, and creative activities of faculty members. This resulted in:

- A. twenty eight (28) new invention disclosures;
- B. three (3) new provisional patent applications;
- C. five (5) new non-provisional applications;
- D. three (3) new issued patents; and
- E. two (2) new commercialization agreements.

2. RELATED ACTIVITY.

As of June, 2018, there are twenty two (22) pending patent applications, thirty three (33) issued and maintained patents, and ten (10) commercialization agreements.

3. APPEALS/REQUESTS FOR DETERMINATION/RECOMMENDATION.

During AY 2017-2018, the Intellectual Property Review Committee received no appeals or requests for determination/recommendation under the campus Intellectual Property Policy.

Respectfully submitted,

Bing Anderson, Chair
