| **Agenda Item 1:** | Service Animal Policy Motion (Cody/ DeBrum 2nd)  
Motion to accept and endorse the Service Animal Policy, as revised (with edit to program title change from Employment Equity to Equal Opportunity)  
Passed 7-0 |

CSU Policy shared with discussion that it has been reviewed and revised, as is required by the policy every five years. The revised policy, with minor revisions, will be issues in the near future. |

| **Agenda Item 3:** | Physical Access Committee Report.  
- Mustang Memorial renovation being completed this week.  
- Last OCR report on Spanos Stadium in July. This should close the case.  
- Governor proposing change to process of allowing bonds for buildings, putting all responsibility and control on the CSU. Existing process is through the legislature. Blessing and a curse. More control, more financial responsibility.  
- As a result, CP may get $16M for 3 years, $1M for barrier removal. |

| **Agenda Item 4:** | Accommodation Review Board (Section IV) [http://drc.calpoly.edu/content/support/legal/disputes](http://drc.calpoly.edu/content/support/legal/disputes)  
Committee reviewed the ARB Manual. It was noted that there has been only one appeal in the past 10 years and therefore extensive training of the potential board members seems unnecessary at this time |
| | Duffy |

| **Agenda Item 5:** | Review committee charge and membership.  
The committee reviewed the DACC Functions and Membership, as defined in the Cal Poly Standing committee. It was noted that due to several retirements (Anderson, Hunter, Beightler) new appointees will be needed for next year. |
