Suggested Fall 2017 Courses For Kinesiology (KINE)

Recommended: Enroll in 12-16 units                                    Catalog Year: 15-17

Please note: KINE department requests that incoming Fall 17 transfer students follow the 15-17 catalog. Please consult an academic advisor in the CSM Advising Office if you have questions about your catalog choice.

Major Courses:
• Choose any course(s) from the following: KINE 265 (4), 266 (4), 301 (3), 303 (4), 319 (4), 407 (4)

Support Courses:
• If requirement unmet, take BIO 231 and/or BIO 232. NOTE: You cannot receive partial transfer credit at Cal Poly for Anatomy or Physiology courses. You must have taken both courses at a community college, or plan to take both courses at Cal Poly.

• If still needed, complete any of the remaining lower division major/support coursework in Biology, Chemistry, Math, Physics, and Statistics.

• If you have a pre-health career objective, please consult with CSM Advising Office before taking any Biology and Chemistry courses.

General Education (GE) Courses:
• If still needed, complete any of the remaining lower division GE courses
• If lower division GE coursework has been satisfied, choose one course from GE C4*, GE D5 (No KINE prefix courses) or GE F

Additional Notes:

• The Graduation Writing Requirement (GWR) is a CSU-mandated program designed to ensure that students can write proficiently before they enter the professional work force. All Cal Poly students who are seeking a degree, must fulfill the GWR.

You can fulfill the Graduation Writing Requirement (GWR) in one of two ways: 1) Pass the Writing Proficiency Exam (WPE) OR 2) Pass a GE C4* GWR-approved upper-division course with a grade of C or better AND receive certification of proficiency in writing based on a 500-word in-class essay.

Additional GWR information can be found here: http://www.writingcenter.calpoly.edu/content/gwr/index
• United States Cultural Pluralism (USCP) requirement must be satisfied before graduation. Please note: KINE 255 or KINE 260 will satisfy the USCP requirement.
