

## Experience something bigger. SUMMER INTERNSHIP PROGRAM

LandCare is currently accepting applications for our Summer Internship Program, for qualified students interested in the Landscape and Horticulture Industry. The hands-on experience will serve as a strong supplement to your education and will help guide you to a successful career in the landscape industry.

### GROW WITH US.

LandCare's Internship program covers a wide range of specialties, including:

- Landscape Management
- Landscape Installation
- Hardscape Installation
- Irrigation and Water Management
- Sales and Estimating

---

### STRUCTURED INTERNSHIP PROGRAM

*Have you ever considered a career in landscaping?* Step outside the classroom with LandCare's 8-week internship experience and see if a future in landscaping is right for you!

Our hands-on program will not only give you an opportunity to work outdoors, but will also provide you with a sneak peek at the daily branch operations of a national landscaping company. From site walks with customers to production planning with branch staff, you will learn the ins-and-outs of each team member's role at a LandCare branch. It's a fun summer program that gives you the opportunity to explore the many possible career paths in landscaping.

Our 8-week internship experience includes:

- *In-depth Orientation*
- *Cross-training*
- *Monthly Evaluation*
- *Career Opportunities*
- *Mentor Program*
- *Management Training*

---
