

American Cotton Shippers Association Internship Program Summer 2022

ACSA Overview:

American Cotton Shippers Association (ACSA) is an almost 100-year-old trade association that represents companies that merchandise U.S. cotton. Our members' buy and sell roughly 70% of all cotton in the United States and 60% of the global cotton traded. More information about the association at acsa-cotton.org.

Internship Overview:

ACSA is soliciting applications for an intern for the summer of 2022. This in-person summer internship will span 10 weeks. The selected intern will have the opportunity to assist in the following tasks:

- Planning, organizing, and administering of the ACSA Convention
- Supporting ACSA staff on digital advocacy, such as social media and website
- Preparing briefing documents for ACSA staff
- Maintaining commodity-related databases for reports and presentations
- Other tasks as needed

Requirements / Suggestions:

The following are requirements / suggestions for someone seeking the internship:

- Pursuing an undergraduate or master's degree with an expected graduation date of May 2022 or 2023, preferably a degree related to agriculture, business, communications, or political science
- Commit to performing internship responsibilities from ACSA's office in Memphis, Tennessee
- Demonstrate oral and written communication skills, including the ability to produce correspondence and reports
- Show the capability to work independently and as a member of a team
- Ability to organize assignments and manage time to complete tasks based on deadlines
- Display oneself as professional, dependable, flexible, and adaptable
- Demonstrate the ability to be detail and quality-oriented

Pay:

This is a paid internship. The rate of pay will be determined based on the applicant's qualifications.

Apply:

If you meet the requirements listed above and express interest in an internship with the American Cotton Shippers Association, please send your resume to Shea Ishee at shea@acsa-cotton.org by **April 1st**. For more information regarding the program, please email Shea or call (901) 525 – 2272.
