Physical Demands and Work Environment

The description of the physical demands and the work environment characteristics here, represent those that must be met by an employee to successfully perform the essential functions of this position. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

The Employee must be able to learn and adapt to different job tasks and outdoor working conditions, adapt to hot summer climate in the central valley (temperatures up to 105°F), drive for extended periods of time alone, work in dusty conditions, have good communication skills, carry out written and/or oral instructions, lift at least 30 lbs., sit or stand for more than 30 minutes, walk on uneven terrain, work with sharp tools, and work around farm equipment.

While performing the duties of this job, the employee is regularly required to talk or hear. The employee frequently is required to sit. The employee is occasionally required to stand; walk; use hands to finger, handle, or feel; reach with hands and arms; climb or balance; and stoop, kneel, crouch, or crawl. Specific vision abilities required by this job include close vision, color vision, and ability to adjust focus.

While performing the duties of this job, the employee is occasionally exposed to moving mechanical parts, fumes or airborne particles, toxic or caustic chemicals, risk of electrical shock, and explosives. The noise level in the work environment is usually moderate. However, on some instances this job may require work in areas where respiratory, ear and/or eye protection is necessary.

This job description in no way states or implies that these are the only duties to be performed by the employee(s) in this position. Employees will be required to follow any other job-related instructions and to perform any other job-related duties requested by any person authorized to give instructions or assignments.

All duties and responsibilities are essential functions and requirements and are subject to possible modification to reasonably accommodate individuals with disabilities. To perform this job successfully, the employee will posses the skills aptitudes and abilities to perform each duty proficiently. Some requirements may exclude individuals who pose a direct threat or significant risk to the health or safety of themselves or others. The requirements listed in this document are the minimum levels of knowledge, skills or abilities.

This document does not create an employment contract, implied or otherwise, other than an “at will” relationship.

Applications are accepted through May 1, 2021. If you have any further questions or would like at apply for the position, please email adamb@christopherranch.com with an attached resume/cover letter.
