

Agricultural Education and Communication Department

Agricultural Science

CHANGE OF MAJOR PROCEDURE

If you have completed the instructions on the Change of Major Portlet on you Cal Poly Portal, you may set up a meeting to develop an ICMA with the Department Head, Dr. Robert Flores, by calling the department office, 805-756-2803.

Requirements

1. Completion of ASCI 112 with a grade of C or better
2. Achieve a minimum term GPA of 2.25 during the quarter(s) of your ICMA
3. Provide a written one-page statement of academic and career objectives that demonstrates an interest and understanding of the Agricultural Science major
4. Must be able to complete degree requirements within a timely manner

Note: If you are a freshman, the criteria may include your initial eligibility in lieu of some or all of the above requirements.

Do not start these requirements without entering into an ICMA because it can negatively impact your registration and/or land you on administrative academic probation!
