WHAT IS THE CALIFORNIA STRAWBERRY SCHOLARSHIPS PROGRAM?
This scholarship program was founded by California strawberry farmers to help children of strawberry field workers reach their education and career goals. Scholarship funds can be used for school expenses in a scholastic or vocational program.

Award amounts range from $400 to $5,000—based on merit, depending on your progress toward earning a certificate or degree. All awards are for one year, and can be renewed annually, based on eligibility.

WHO IS ELIGIBLE?
Scholarships are available to qualified applicants in California. Applicants must have at least one parent or legal guardian currently employed plus the last two consecutive seasons in the California strawberry harvest as a field worker.

Applicants must graduate from high school. Students must be enrolled full time, and maintain a minimum 2.0 grade point average.

Students who previously received a California Strawberry Scholarship are encouraged to renew their application each year.

HOW DO I APPLY?
Applications are available online at www.CalStrawberry.com/Scholarships

A list of required supporting documents (such as employment verification, essay, official transcript and letters of recommendation) is available with the applications.
