

Royal Vista Southwest is pleased to offer a unique opportunity for students interested in furthering their skills and knowledge at a world-renowned equine reproduction facility located in the "quarter horse capital of the world", Purcell, Oklahoma.

Learning Outcomes:

- Parturition
- Embryo Vitriification
- Embryo Flushing
- Embryo Grading
- Mare Cycle Management
- Handling Frozen Semen
- Neonatology
- Transvaginal Aspiration

Students can expect to assist in embryo flushing and transfers, foaling, deep uterine insemination, neonatal treatments, and other specialized reproductive procedures that are performed daily in a fast-paced business that focuses on mare management.

The selected interns will commit to a six-month stay from January to June that gives the student a well-rounded education as they rotate through different areas of practice. Housing is provided on the property along with a bi-weekly stipend.

Surround yourself with the top clients and horses in the industry!

Visit www.royalvistasouthwest.com/internships for more information.

To apply, email your resume and cover letter to josi@royalvistasouthwest.com. The deadline is October 15th!

Royal Vista Southwest is please to offer a unique opportunity for students interested in furthering their skills and knowledge in a world-renowned equine reproduction facility located in the “quarter horse capital of the world.”

Interns will have the opportunity to learn theories related to parturition, embryo vitrification, embryo flushing, qualities of the ideal embryo, donor and recipient mare cycle management, handling frozen semen, and neonatology.

Responsibilities include:

- Foaling Attendant
- Breeding Assistant
- General Horsemanship

The selected interns will commit to a six-month January-June stay that gives the students a well-rounded education as they rotate through different areas of practice. Housing is available on the scenic property, which allows the intern to be involved with various emergencies and medical treatments that occur after hours.
