

Join Our Team!

We are an East Bay firm serving prestigious Bay Area clients and institutions. Our diverse and thriving practice includes:

- Hospital Renovations
- Seismic Evaluation and Retrofit of Buildings
- Failure Investigations and Repairs
- Seismic Protection of Nonstructural Components

Our small business environment creates opportunities for:

- Both teamwork and autonomy
- Personalized mentorship
- Frequent site visits and direct collaboration with clients
- A voice in the direction of the company

Ideal Candidate

- Holds a Bachelors or Masters degree in Structural Engineering
- Has strong communication skills
- Has a working knowledge of AutoCAD, Revit and structural analysis software
- Is a hard worker and creative problem solver
- Enjoys being part of a team
