- Position Description: Linchpin is a small firm of 20 staff located in Truckee, adjacent Lake Tahoe, with an office in Reno as well. The Truckee office is located in a resort mecca with abundant winter and summer sports available out our doorsteps. Our office staff is very active, enjoying these activities. We are one of the most highly professional firms in the region with clients that include the City of Reno, California State Parks, Heavenly Ski Resort, University of Nevada at Reno, and numerous private developers. We have enormous breadth that includes million-square foot buildings, mid rises, police stations, custom high-end residences, high-end condos, historic buildings, and treehouses. Check out our website at linchpinse.com. We are seeking both entry level candidates and experienced senior staff and offer full benefits and competitive salaries. If mountain living is appealing to you, please get in touch.
