Thom Hume Consulting Engineers has provided Structural Engineering Services for projects throughout the Central Coast for over 25 years. We are looking for an Entry Level or Experienced Structural Engineer to join our team.

Requirements

- Bachelor of Science degree in Civil Engineering (Structural Emphasis), Structural Engineering, or Architectural Engineering

Main Responsibilities:

- Perform structural analysis for both lateral (wind and seismic) and gravity systems for buildings comprised of steel, concrete, wood, or masonry
- Oversee CAD work to ensure that it meets appearance, accuracy, and CAD standards
- Assist Associate Engineers

Salary:

Compensation is based on work experience and skill level and will be re-evaluated after 90-day trial period.

Benefits:

- Medical insurance
- SIMPLE IRA Plan
- Vacation and Sick pay

Job Type: Full-time

Location: 954 Toro St, San Luis Obispo, CA 93401

Starting Pay: \$20.00 - \$30.00 per hour

Deadline to apply: Until Filled

Interested candidates are requested to send a resume to: Office@thengineers.com
