STRUCTURAL ENGINEERING SCHOLARSHIP INFORMATION

The Structural Engineers Association of Washington (SEAW) is offering **\$5000** scholarships to college or university students studying Structural Engineering and who plan to make their professional career in the practice of Structural Engineering.

Requirements of Students applying for the SEAW Scholarship:

1. United States citizen and an official resident of the State of Washington. Residents of this state attending schools in other states are eligible. Students attending in-state schools on a non-resident basis are not eligible.
2. At the time of application, be currently enrolled in a program of study majoring in Structural Engineering as an undergraduate in their final year of study, or as a graduate student.
3. Having a commitment to making a professional career in the practice of Structural Engineering

How to Apply:

1. Complete the attached application form and return to the SEAW office at the address above.
2. Arrange for the colleges and universities attended to send—directly to SEAW at the above address—transcripts showing courses taken and grades received. If your school uses an electronic trans system, transcript links should be sent to info@seaw.org.
3. Arrange for completion and return to SEAW of scholarship recommendation forms as follows
Option 1: (2) Professors
Option 2: (1) Professor and (1) Employer
4. The professor/employer should be provided email address to submit electronically or the stamped envelopes addressed to SEAW at the above address, and the electronic form to complete, print, and sign.
5. Provide a personal statement explaining why you believe you should receive this scholarship.

This may include an explanation of how you became interested in this field, what led you to pursue a career in Structural Engineering, and/or what your plans are for graduate education or professional aspirations after college.

Please limit your response to 1-page, double spaced, minimum size 10 font.

6. Complete and attach the Scholarship Checklist.
7. All documents must be submitted to SEAW by February 28 to be considered for the scholarship.

How the Scholarship Winner will be selected:

From qualified students submitting applications, the SEAW selection committee will determine those to be interviewed. They will be notified and interviews will be scheduled after the first week of April in Seattle or Spokane. Only those interviewed will be given further consideration. Final decisions relating to all matters of eligibility and award of the scholarship rests solely with the SEAW selection committee.

Scholarship winners will be announced in April.
