

2023 Summer Internship Program SANTA BARBARA, CA

19six Architects & Engineers is seeking summer interns at our Santa Barbara, CA office. This is an in-person position.

The primary duties will include:

- Revit drafting of structural plans and details.
- Structural calcs.
- Job Visits.

If you would like to interview, please email your resume and a short cover letter indicating your relevant experience.

February interviews will take place in our San Luis Obispo office at 560 Higuera Street, Suite C. on February 9th.

Interviews are by appointment. Please email Jeff Haight at jhaight@19six.com to set up your interview.
