

FULL-TIME EMPLOYMENT OPPORTUNITY AVAILABLE IMMEDIATELY IN SANTA BARBARA

19six Architects & Engineers seeks an entry level structural design engineer. Current projects include rehabilitation and new construction of schools, hospitals, commercial and industrial projects. Our engineers are fully involved with their projects including meetings with clients, calculations and detailing, and construction observation.

If you have a B.S or M.S. degree in Architectural Engineering, REVIT experience, and excellent communication skills we would love to talk with you about the opportunities to grow with us as we expand the Structural Engineering division of 19six Architects and Engineers at our office in downtown Santa Barbara.

June and December 2023 graduates are welcome to apply. Interviews will be in our SLO office on February 9th.

Please email a cover letter and resume to jhaight@19six.com to sign up for an interview and visit <https://www.19six.com/19six-careers> for additional information.
