

Darin Fong and Associates, Inc (DFA) provides consulting Structural Engineering services for projects spanned over California, Oregon, Arizona and Nevada. Projects range from ground up construction, tenant improvement, seismic retrofits, and remodels. We are looking for a **Revit Designer** to join our team.

**Qualifications:**

- Associates degree in Civil Engineer, Drafting or similar field; Bachelor's degree preferred.
- 2+ years of experience using Revit, AutoCAD, Bluebeam and Microsoft Office.
- 2+ years of experience in producing construction/civil drawing sets including commercial and residential buildings.
- Knowledge of different building materials including wood, concrete, steel and masonry.
- Experience with additional 3D modeling software is a plus.
- Ability to understand drafting standards and how to apply them.
- Ability to prepare structural plans and calculations.
- Ability to read architectural plans.
- Ability to work in a challenging yet collaborative environment.
- Ability to take initiative and problem solve.
- Excellent verbal and written communication skills.
- Excellent attention to detail.

**Benefits:**

- Company paid Medical, Dental and Vision with buy up options.
- 401K Plan
- Profit Sharing
- Vacation and Sick pay
