

MACKENZIE.

Structural Entry Level Position

HYBRID WORK SCHEDULE

Positions Available In Our
Portland & Seattle Offices

A dynamic workplace supporting mentorship and collaboration with a commitment to
SUSTAINABILITY, CREATIVITY, AND PERFORMANCE

MACKENZIE IS LOOKING FOR MOTIVATED, EMERGING PROFESSIONALS TO JOIN OUR STRUCTURAL ENGINEERING TEAM.

We appreciate your interest! We are looking for candidates for a full-time position within our structural engineering department.

The position is available to qualified civil or architectural engineers holding an undergraduate or graduate degree from an accredited program. Flexible, hybrid work arrangements will be based out of our Portland or Seattle offices.

EIT certification or verification of passing FE exam is required.

We are an Equal Opportunity Employer.
