

MACKENZIE.

Structural Summer Intern

HYBRID WORK SCHEDULE

Positions Available In Our
Portland & Seattle Offices

A dynamic workplace supporting mentorship and collaboration with a commitment to
SUSTAINABILITY, CREATIVITY, AND PERFORMANCE

MACKENZIE IS LOOKING FOR MOTIVATED, EMERGING PROFESSIONALS TO JOIN OUR STRUCTURAL ENGINEERING TEAM.

We appreciate your interest! We are looking for candidates for an internship position within our structural engineering department for **Summer 2026**.

The position is available to qualified civil or architectural engineering students in an accredited program after their junior or senior year or pursuing a graduate degree. Flexible, hybrid work arrangements will be based out of our Portland or Seattle offices.

We are an Equal Opportunity Employer.
